## Storage Unit Access

Our Unit is Q-6 and is located on the second floor.

- The Padlock code on our unit: 1010
- The keypad access code at any door to the building: \*2957#
- Parking and access is from the loading dock.
- Dollies are available for moving items.
- There are two freight elevators for moving larger items in and out of the building.
- The stairway to the second floor is located next to the elevator as people are not allowed in the elevator.
- The lights are triggered by motion detectors and they will stay on as you move through the building. The temperature inside does not go below 55°.
- The door by the Office is open during regular business hours and a restroom is available inside.
