Don't see the answer you need? Email us at HomeGardenWebinar@MassMasterGardeners.org.

Q: I received an email confirming my registration for the Webinar Series. What happens next?

A: Thanks for signing up! Prior to each class, watch for two reminder emails from HomeGardenWebinar@MassMasterGardeners.org: One will be on Monday, two days before the class, and the other on Wednesday, the day of the class. These reminder emails will contain everything you need to know to join the Zoom presentation.

Q: Remind me again, what are the dates of the four classes?

A: Classes are scheduled for Wednesdays, February 3, 10, 17 and 24, 6:30-8:00 PM. Participants are asked to log into Zoom starting 10 minutes before the start of class. The Zoom Host will allow everyone into the session shortly before it starts.

- Wednesday, February 3: "English Garden Inspirations for New England Gardeners"
- Wednesday, February 10: "Winter Pruning: Why, How and When to Prune Your Shrubs"
- Wednesday, February 17: "Starting Flowers and Vegetables from Seed"
- Wednesday, February 24: "Prepping Your Garden for Spring"

Q: Oops! I may have a problem with one of these dates. Can I get a refund for any classes I miss?

A: Sorry, but no. Our system is not set up to permit refunds for individual classes. If you need to drop out of the entire series, contact us at HomeGardenWebinar@MassMasterGardeners.org no later than Monday, February 1, and we will process a refund.

Q: Will classes be recorded so I can refer back to them later?

A: The content of the lectures is the intellectual property of the speakers, so recording is not permitted. Sorry.

Q: I'd like to invite my friend to attend the series with me. How do I do that?

A: Learning is always more fun when we do it together. Have your friend go to our web page, <http://massmastergardeners.org/home-gardening-webinar-series/>, and click on the green REGISTER button. The last day to register is Monday, February 1.

Q: I expect to have questions on several class topics. Will there be time for Q&A?

A: There is a tool in Zoom called "Chat" that enables you to text a question at any time during the class. We will be taking several short breaks during which the speaker will answer questions. We will try to get all of your questions answered during the session. If you have follow-up questions, feel free to contact us at HomeGardenWebinar@MassMasterGardeners.org
